

ANNOUNCES
Victoria Branch of the
SPCA

Fund Raising Event Saturday September 24, 2011

- \$50 designer frames with entire purchase amount going to SPCA*
- \$50 from all Essilor progressive lenses purchased directly to SPCA
- 30% off all second pair lens purchases with Essilor lenses
- 20% off all second pair purchases of non Essilor lenses
- August 15 thru September 15 \$30 from every Essilor progressive purchase going to SPCA
- \$25 from every sunglass purchase going to SPCA

Mayfair Optometric Clinic has been giving back to the community for over 25 years and this year is no exception! MOC has purchased a large inventory of designer frames at very exclusive pricing allowing an unprecedented selling price of \$50 per frame. These frames will be sold as is where is with no warranty, however, the lenses sold by Mayfair Optometric Clinic carry a full two year warranty against defect and scratches from general wear and tear.

Mayfair Optometric Clinic will offer \$50 from EVERY frame sale on September 24, 2011 so the entire inventory will be available to benefit our local small creatures.

Although no discounts will be available on our extensive sunglass selection, MOC will donate \$25 from every sunglass sale September 24, 2011 directly to the Victoria branch of the SPCA.

This will be a day dedicated to giving back to the Victoria community by supporting the SPCA volunteers, staff and supporters while raising funds to assist with the needs of local animals in crisis.

Mayfair Optometric Clinic is located at 3196 Douglas Street, across from Mayfair Centre. www.morethanjust2020vision.com Phone 250 361 4444 for an appointment
